Test On Unit 1

B

1 Listen and write (T) True or (F) False.

1 The desert is very dry and hot. ( )
2 Snakes often eat small animals like rats or lizards. ( )
3 Camels eat plants to stay strong. ( )
4 Owls come out during the day when it is hot. ( )

2 Read and complete the text with the words in the box:

(night - hot - sea - lizards - rats)

There are many animals in the desert. The desert is very dry and (1) ..... . Snakes eat (2) ..... and small (3) ..... . Owls come out at (4) ..... . They don't come out during the day.

3 Read and the text and answer the questions:

Even though the desert is hot and dry, many animals do well there. Snakes often eat small animals like rats or lizards to survive. Camels are well-adapted to the desert and eat plants to stay strong. Lizards get their energy by eating insects. Some desert animals, like owls, come out at night when it's cooler, while others hide under rocks during the day to stay cool. Each animal in the desert has an important role, helping nature stay in balance.

Choose the correct answer from a, b, c, or d.

1 Lizards eat ..... to get energy in the desert.

a plants b rats c insects d camels

2 Owls usually come out ..... in the desert.

a during the day b at night c when it's hot d when it rains

B. Answer the following questions:

3 How do some animals stay cool in the desert during the day?

.....

4 What do camels eat to stay strong in the desert?

.....

5 Why is each animal's role important in the desert?

.....
